If you do not wish to receive future fundraising communication from Deer River Area Health Care Foundation, please call (218)246-4212 or email leah.oslin@essentiahealth.org. Please include your name, address, phone number, and indicate that you do not want to receive future fundraising communication from Deer River Area Health Care Foundation.

Guardian Angel program

Perhaps it was a kind word or a smile that brought you or your family member comfort. It could have been a life-saving procedure, a visit from a volunteer during your hospital or nursing home stay or a nurse who eased your child's fears during a clinic appointment.

At Essentia Health-Deer River, excellent patient care is the mission of every member of our team. Sponsored by the **Deer River Area Health Care Foundation**, The Guardian Angel Program provides you the opportunity to say *thank you* to the caregivers who made a difference and were there when you needed them the most.

Gifts to the Guardian Angel Program Will:

- Advance and support health care delivery and patient care;
- Benefit current programs and services;
- Underwrite the cost of new equipment and technology; and
- Support initiatives for our community's health

Share Your Story

An opportunity to recognize an Essentia Health-Deer River team member for the outstanding care you or a family member received. **Guardian Angel Award recipients will be honored with a thank you card and message from the patient and award certificate presentation.**
